HAPPY GUT ORGANIC COFFEE (GROUND) *with Probiotics & Turkey Tail Mushroom*

Caffeine content

GROUND: approx. **150mg** per serve (equivalent to a regular brewed coffee)

In a nutshell

Support your digestive health with coffee that loves you back. Four Sigmatic® have matched premium organic coffee with four remarkably gut-friendly ingredients for a delicious brew that's good for (and gentle on) your gut. With heat and acid resistant probiotic *Bacillus subtilis* (1b CFU per serve), the prebiotic goodness of Yacon juice powder, and the super fantastic functional mushrooms Turkey Tail and Chaga to boot!

Good for your gut

- A caffeine pick-me-up without a side of jitters
- Supports your gut health and digestion
- Crafted to be gentle on your stomach
- Turkey Tail is one of the best gut-supporting mushrooms, rich in prebiotics
- Chaga keeps the caffeine under control to support focused energy
- 1 billion CFU probiotics and organic prebiotics

Made with the best of the best

Four Sigmatic® sources its fairtrade coffee beans from Pacayal Coffee, a family-run farm located 5,500 feet above sea level in southwest Honduras. Organic Turkey Tail mushrooms are log-grown, just as nature intended.
